I am pleased to announce that a settlement has been reached in the lawsuits involving the Diocese of Pueblo, the Marianist Province and 23 alumni of Roncalli high school. These suits were related to claims made against Brother William Mueller, a Marianist Brother.

It has been my goal to resolve these cases with hope of providing a sense of closure, compassion, and justice to the men whose lives have been altered by their early contact with Brother Mueller. It was my honor to have met with each of these men, and I again offer to them and their families my apologies and regrets for everything that they have experienced.

I sincerely hope that this resolution will provide some peace for these men, and also for the people of the Diocese of Pueblo, who have been affected. We continue to be concerned for the on-going healing that must take place, and I can assure these men of my prayers, and welcome within our faith community as a beneficial step in their healing process.

+ Brother M. D'Fina
